**Complete wide-area solutions
Bundled for simpler purchasing**

Resell airtime for another year
Get 10% Discount on 1-year prepaid plan*

Bundles include 1 year of airtime Canada-wide only at a discounted rate (paid in advance).

*After the 1-year term expires, customers can move to a month-to-month plan, or dealers can resell another 1-year prepaid airtime plan at a 10% discount off the monthly rate.

Airtime is not billed monthly under this promotion.

Designed to simplify purchasing with all-in-one bundled pricing

Standard terms and conditions apply. Available for Canadian dealers only.
Cannot be combined with other promotions. Valid through September 30, 2026.

Place orders through the sales representative or sales@icomcanada.com.

For radios requiring chargers, the charger will auto-add to the order.

Add NW-QAIR-LTEPIA1LT for prepaid 1-year airtime to your PO.

Select the preferred service provider on your PO for IP501H, IP501M, and IP730D/740D and add promo code: **N2**

Activation - Log into CONNECT and select N2 promo plan.
